Re: 145 Wellington Street West  
Our Project No. C019-0183

Dear David,

This letter is to confirm that floor slab and wall of stormwater management tank as well as all the supporting structural elements including foundations will be designed to withstand the full weight of the maximum volume.

We trust that this is the information that you required; however, if we can be of any further assistance, please do not hesitate to contact us.

Sincerely,  
Entuitive
